#03 Extractivism Talks:

Book presentation and discussion with

Prof. Martin Beck (Odense) and

Prof. Rachid Ouaisa (Marburg)

The book offers the first comprehensive analysis of the Middle Eastern political economy in response to the 2014 oil price decline and connecting oil market dynamics with an understanding of socio-political changes.

Following the presentation, the audience will have the opportunity to engage with the panel.

Wednesday, 29th June 2022 at 6 p.m. (CET)

CNMS, Room 00A26 - Deutschhausstr. 12 - 35037 Marburg
