Management

- You choose **one specialisation** and **must stay on this track**. A mix of modules between specialisations is not possible.
- **Solution:** You may elect courses from another specialisation than yours in the study area „Electives“.
- There are **many modules** on offer **for each track**. Design a track with your favourite modules to reach the workload of 24 ECTS.

Study areas and modules

- Choose from numerous options in the import module list (**will be updated soon**). Note that other faculties teach courses mainly in German.
- Please respect that faculties have their own rules regarding module/course/exam registration, attendance, assignments, etc.

Study areas and modules

Master's thesis

You have **four months to complete the thesis**. Its focus must be on the MENA region, e.g., case studies or comparative analyses.

To **register the thesis**, you **must have acquired 48 ECTS** in the study areas Introduction to the MENA Region, Economic Analysis, MENA Economics, Specialisations and Electives. You must have passed the module Empirical Economics.

When the time for the thesis approaches, **present your ideas to potential supervisors** and check with them the project's feasibility.

Once you have a supervisor, **approach the Examinations Office** to officially **register your thesis**.

Grading & exam regulations

You will receive grades according to the following scale:

- 13-15: Very good
 - 10-12: Good
 - 7-9: Satisfactory
 - 5-6: Sufficient
 - 0-4: Fail
-
- In Marburg, **marks** are given within an interval ranging from **0 (lowest level) to 15 (highest level) points**.
 - You have the right to take a **look at your marked exams**, and if you have a potential grading question, you will have the chance to ask the examiners for more clarifications.

Grading & exam regulations

Due to the COVID-19 situation examination forms might be different, but you still need to register!

- There are two **exam periods**.
 - First sits are usually held immediately after the lecture period ends.
 - Seconds sits are held towards the end of the official semester.
- You **must register for exams** in order to take them. If you **fail to register** within the registration period, you are **not allowed to sit** the exam.
- Schedules are available on the website of the Examinations Office. (<https://www.uni-marburg.de/en/fb02/studying/examinations-office/exam-management>)

Grading & exam regulations

Due to the COVID-19 situation examination forms might be different, but you still need to register!

- Orientation Session and obtaining the TAN lists
 - tba
- **Registration for Exams in WS 2020/21:** 2 November 2020 – 15 January 2021
- **Registration for Re-Sit Exams in WS 2020/21:** 8 March - 11 March 2021 (Depending on the course and the examination method, there might not be a re-sit exam!)
- Check this website for further details regarding registration deadlines <https://www.uni-marburg.de/en/fb02/studying/calendar>

Grading & exam regulations

Due to the COVID-19 situation examination forms might be different, but you still have several attempts to pass a course.

Failing exams

- It is possible to take up to three re-sits of one exam. Failing the third re-sit implies being ejected from the EMEA programme!
- Modules can consist of various exam types, e.g., an essay and an exam. You might feel tempted to fail the exam in order to improve your module performance in the second sit.
- However, it might be the case that the module grade is an average of the exam and essay grade. A good mark for the essay might have been enough for you to pass the module with a low overall mark!

Grading & exam regulations

Contact

Please visit the website of the Examinations Office to clarify simple questions, e.g., regarding exam schedule, registration, etc.

Link: <https://www.uni-marburg.de/en/fb02/studying/examinations-office>

Under „Exam Management“ and then „Exam Registration“ there is also a video (in German) that shows you how to register for exams via QIS/LSF.

In case of **specific and urgent questions**, please contact:

Dr. Regine Reck

Universitätsstraße 25

Tel.: 06421 / 28 - 23775

Fax: 06421 / 28 - 24858

Re-enrollment

- You will have to **re-enroll** at Philipps-Universität Marburg every semester by paying the semester fee.
- If you reside **abroad during the third semester** you can pay a **reduced enrollment fee.** You must first re-enroll by paying the total fee and then request a refund.

General course organisation

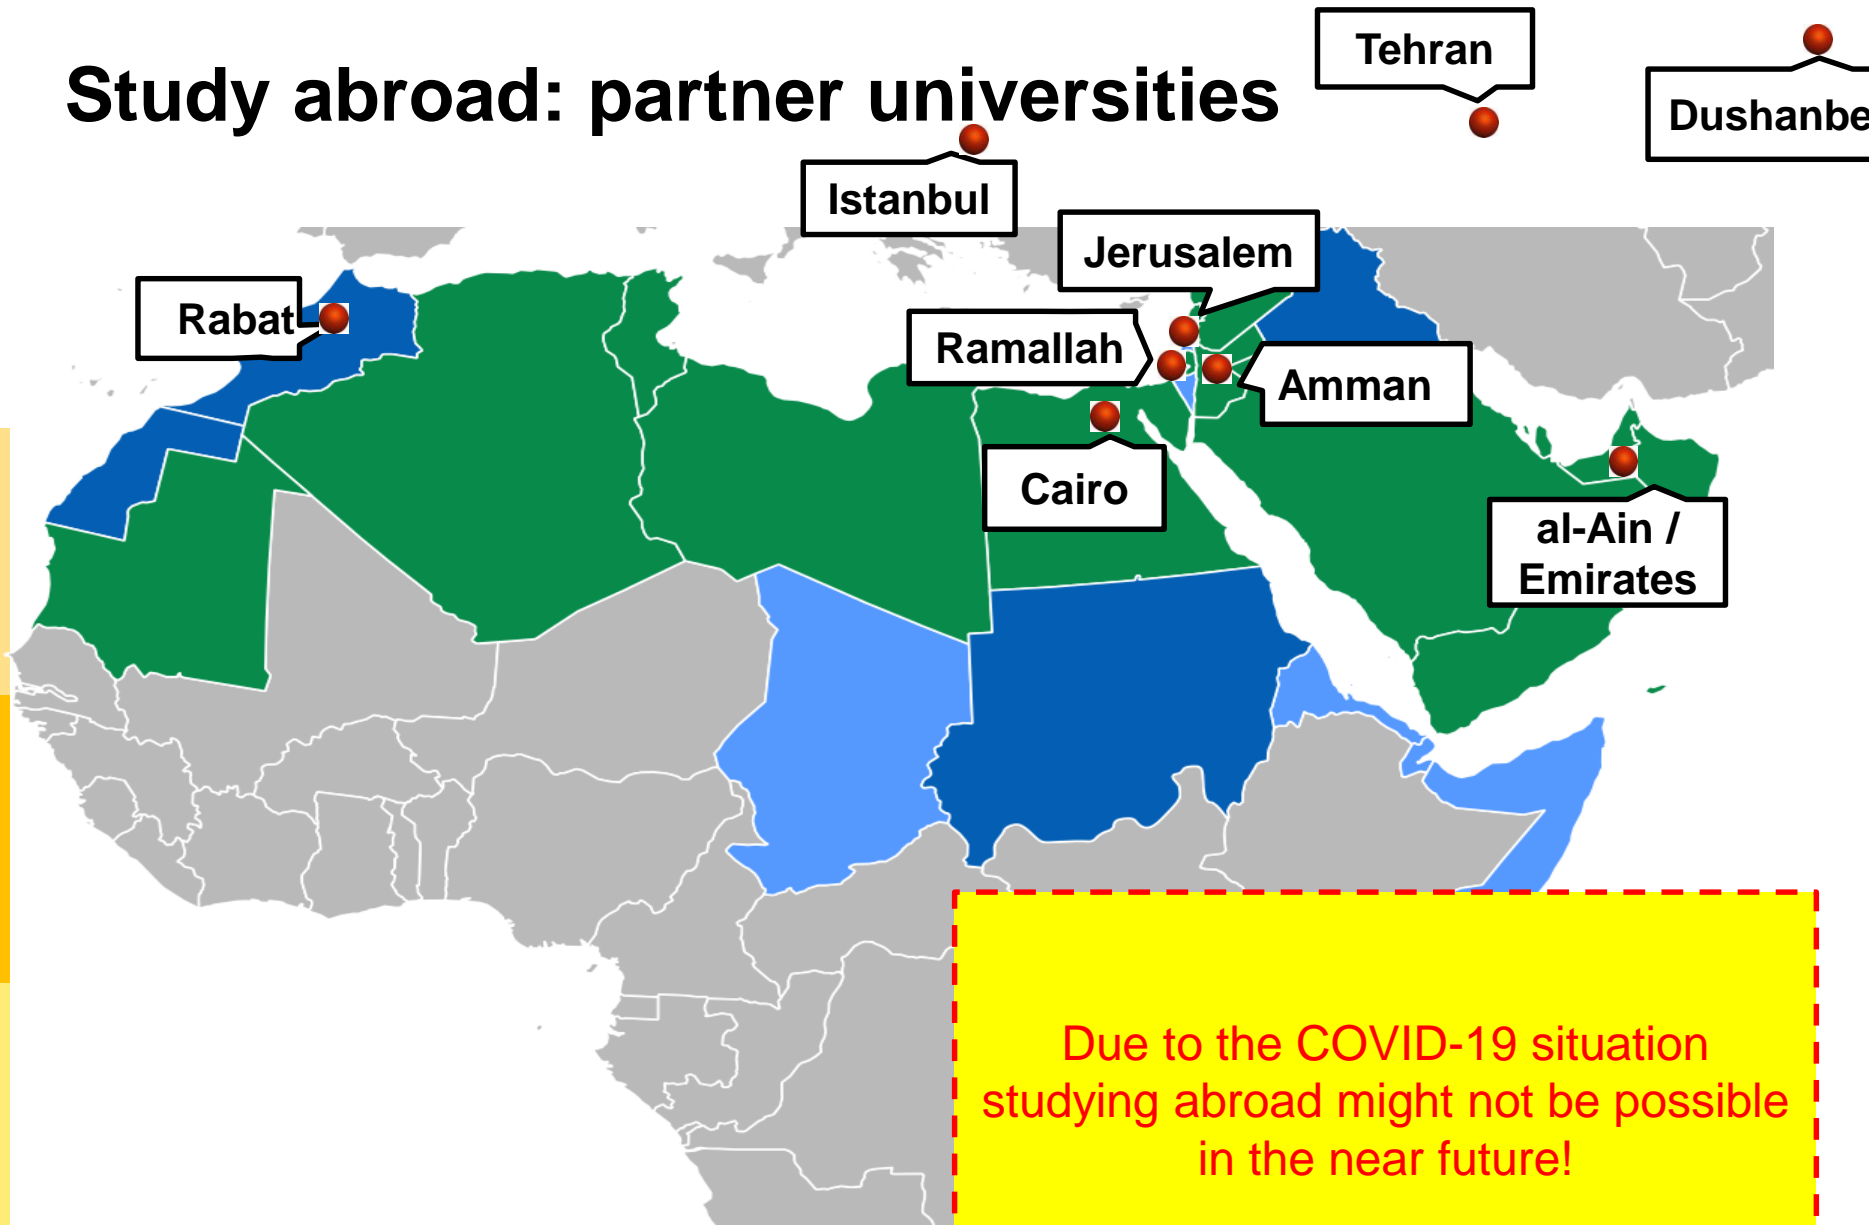

Attending courses

- You should register for **lectures** and **seminars**. **This can be done in the MARVIN Portal (marvin.uni-marburg.de)**
- **Participation** in lectures is **strongly recommended**. In **seminars**, you **are expected to participate** in sessions, especially in block seminars.

Course material and information

- **Course news and material** will be provided via the learning platform **ILIAS**. Registration may be automatic when you register through MARVIN.
- Otherwise, you will need an additional **password to register** for a course, which is normally given in the first lecture.

Study abroad: partner universities

Due to the COVID-19 situation
studying abroad might not be possible
in the near future!

Study abroad: applying for a study place

1. First, take a close look at the **list of Marburg University's partners**:
<https://www.uni-marburg.de/de/international/profil/hochschul-kooperationen/erasmus-partnerunis>
2. Then, contact the International Office (**Ms Binja Homann**) for the application for funding (calculate **7-9 months** for the whole process)
3. After that, pls give notice to **Dr. Tramontini** who will also be available for further advice.

Nota bene: Deadline for leaving in fall 2021 is end of January 2021.

Application for study abroad is competitive since only few places are available!

Study abroad: earning credits abroad

- Important Notice:
 - For the semester abroad, it is expected that you complete the equivalent of one semester (at least), which would require 30 ECTS.
 - Since the EMEA Study Guidelines only permit 24 ECTS as electives, you should plan to take at least one course (for 6 ECTS) as part of your specialization during your semester abroad.
 - Alternatively you could continue to return to Marburg, however that is beyond the recommended 4 sem

Study abroad: Planning reliability

- In certain ways, you will begin your study abroad experience in Marburg...
- The foreign university might release the academic calendar or course programme only on short notice.
- Maybe the only way to get a learning agreement is to leave for the stay abroad and showing-up in person at the partner university.
- Please adjust your expectations and be prepared to experience some frictions. **Gathering information from partner students, will help you to anticipate with them better!**

We kindly invite you to join our digital information event on going abroad:

Thursday, 29th of October 2020

11:00-12:00

via BigBlueButton

We will inform you about opportunities at the university and faculty, talk about special conditions due to Covid-19 and try to answer all your questions.

In order to join the meeting, you should **first join our ILIAS group** for Going Abroad: <https://uni-marburg.de/5TrnA>

Next to the virtual BigBlueButton room for next Thursday, you can also find further information and current calls for application there, which might be interesting for you.

Application Deadline for faculty cooperations Erasmus+ Europe and worldwide (Shanghai University of Finance and Economics, Kobe University, Fordham University) for **the academic year 2021/2022** is **December 15, 2020**

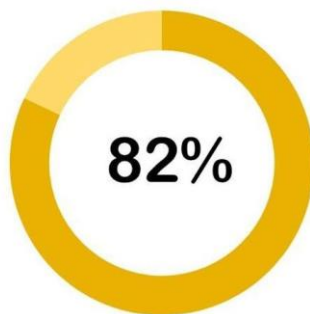

If you have any questions in advance, please contact ausland@wiwi.uni-marburg.de

Job perspectives

We have traced the careers of approx. half of our graduates (~40).

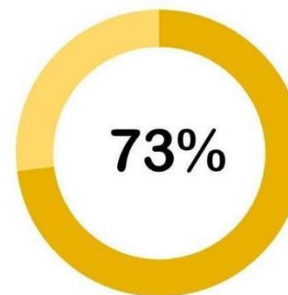

Good news: Most of our alumni did not take long to find a 'proper' job!

Our **alumni** compete successfully for **industry, public sector, and NGO positions**. A notable number of alumni founded their **own business** or entered an **academic track**.

MSc Economics of the Middle East (EMEA)

Share of EMEA alumni who established a career strongly linked to MENA economics and business.

MSc Economics of the Middle East (EMEA)

Share of alumni who found employment within six months after graduation.
