About the book:

The New York Convention has celebrated its 60th anniversary in 2018. It has become the most successful (and most important) treaty in the field of international trade law and one of the cornerstones of international arbitration. The specific challenge that comes with the Convention's global importance is ensuring that it is uniformly interpreted and applied in its roughly 160 Contracting States, especially since no single court has the power to authoritatively determine the proper understanding of the Convention. This commentary makes accessible the wealth of global case law and scholarly writing and provides a comprehensive in-depth discussion of the Convention's 16 articles. It contributes to the Convention's uniform interpretation by outlining the contemporary global discourse surrounding each element of the Convention and providing the expert opinions of the authors. Its first edition has not only become a respected point of reference for legal professionals and academics, but has also been drawn upon by courts around the world.

Praise for the 1st edition:

'It is masterfully done. ... In my own future work as a professor, it is unlikely that I will ever teach or write anything about the Convention without first reviewing the relevant sections of the Commentary.'

Margaret L. Moses, Loyola University, 109 Am. J. Int'l L. 242 (2015)

In case of a written order or telephone order you are entitled to revoke your order in "text form" (e.g. letter, fax, Email) within two weeks after dispatch of the order and without further statement. Dispatch in due time will suffice for this purpose. The revocation period will not commence till receipt of this instruction. Please address the revocation to the contractor (bookseller, beck-shop.de or C.H.Beck Publishing, Noerdlinger Verlagsauslieferung, Augsburg Str. 67a, 86720 Noerdlingen, Germany). In case of revocation and/or return of the goods the amounts paid will be reimbursed as soon as we have received the returned goods. If you return the goods from within Germany the contractor will bear the costs of the return consignment and the risk of transport. If returning from abroad you will have to bear the costs of return consignment and the risk of transport.
