

The application process for your master thesis requires four steps

Elements of the application process

<u>1. Step:</u> Submission of documents	<u>2. Step:</u> Topic assignment	<u>3. Step:</u> Preparing an exposé	<u>4. Step:</u> Registration at the examination office
An application should consist of: • a letter of motivation (max. one page) • your current CV • a current transcript of records	Topics are assigned in a personal interview with a member of the chair. The topics are based on the research focus of the chair, which you can find on our website	The exposé (max. two pages) should include the following content: • the problem definition • the goals of the thesis • the procedure of the thesis • a preliminary outline	Registration takes place by submitting the application for admission to the master thesis at the examination office of Marburg University
