

3rd International ERASMUS+ Teaching and Staff Week 2018
Innovative Teaching in Music, Art and Media
7 – 9 May 2018
Salzburg University of Education Stefan Zweig

The Salzburg University of Education Stefan Zweig welcomes teaching staff and researchers of higher education institutions in Europe. The ERASMUS+ Teaching and Staff Week will introduce attendees to the Salzburg University of Education Stefan Zweig and give the chance to meet colleagues from various institutions in different countries. Attendees will have a toolkit of ideas how INNOVATIVE TEACHING can be introduced in Higher Education Institutions and examples of best practice to take home and apply within their own universities. Each day will offer a wide range of sessions on the theme of INNOVATIVE TEACHING.

The international week focusses on competences in innovative teaching through benchmarking of practices, lectures, expert discussions and networking with colleagues. The programme is targeted to all those who are interested in seeing the developments PH Salzburg has done on Innovative Teaching. Guests are welcome to present topics.

Further information and online registration are available at <http://internationalweek.phsalzburg.net>.

We are looking forward to welcoming you in Salzburg and would be happy to intensify our cooperation with your organisation.
