Expected arrival dates are at the start of the orientation or at the beginning of each semester. Various faculties have subdivided each semester into two blocks (also known as periods or quarters). The first (Autumn) semester consists of block 1 and block 2. The second (Spring) semester consists of block 3 and block 4. In the first semester exams mostly take place in December/January; in the second semester, exams can be held up until early July. Students should confirm the dates of the classes/exams with the faculty/study coordinator. For master studies, the academic year may not necessarily fall into two semesters.
