FAQs

- What do the numbers before the class titles mean. These are numbers used in MARVIN to identify the courses (Lehrveranstaltungen). They are not exam registration numbers.

- What does SWS mean? Semesterwochstunden is the time which you are required to present in class for a given course. You can find a glossary of terms for university at: https://uni-marburg.de/BYRyN

- Are the courses listed above sufficient to ensure that I can graduate after six semesters? Yes. Your entire course of studies has a total of 180 credits of work. You should take an average of 30 credits of work each semester. Don’t overdo it in the first semester.

- What happens if I can’t attend the time-tableing events? You can use the online course: ToDos im Studium: Durchstarten in Marburg https://uni-marburg.de/Vs6oG and make an appointment to attend office hours with your student advisor.
• Which exams do I have to take in my first semester? That information can be found in your module handbook. Usually, your course instructors will also give you an outline of what to expect in their course during the first session.
