

## Guidelines: Blog and internship report

B.A. American, British, & Canadian Studies

P2: Internship

You are required to keep a blog during your internship. The blog will serve as the foundation for your internship report (5000 words), which should be written in English. When writing your report, please follow the rules and conventions set out in the document *GUIDELINES: HOW TO WRITE AN ACADEMIC PAPER*. It can be found here: <https://uni-marburg.de/rz4wo>

Respond to each of the following points in your internship report:

1. Please give a general description of activities you will carry out during your internship and give particular reference to any activities that are related to your studies. In addition, please describe other activities that you will carry out during your internship.
2. Please give an approximation of the percentage of time you were occupied with activities that are relevant to your studies.
3. Please reflect on your internship and the extent to which it was helpful for your studies and your future professional life. Which skills acquired during your studies were you able to apply to your internship activities?
