

## Invitation to the 2026 graduation ceremony

The Department of Mathematics and Computer Science at the University of Marburg cordially invites you to the graduation ceremony on

**May 29, 2026, starting at 3:30 p.m. in the auditorium of the Old University (Lahntor 3)**

We would like to celebrate with everyone who graduated from our department this year or last year.

You can look forward to speeches by our alumni Dr. Pablo Graubner (BMW Car IT) and Paul Tessmann (Wianco OTT Robotics) as well as musical highlights. Following the graduation ceremony, we invite you to join us for a get-together with an opportunity to chat.

The MInfo e.V. support association will provide drinks and snacks.

We would like to express our sincere thanks to our sponsor, Mr. Tessmann, for his generous support. We would also like to thank all sponsors of MInfo e.V.

We would be delighted to welcome you on this day. Please register by April 20 by sending an email to:

**[absolventenfeier@mathematik.uni-marburg.de](mailto:absolventenfeier@mathematik.uni-marburg.de)**

Please indicate how many guests (max. three) will be attending with you.

**Universität  
Marburg**
