Dr. (RUS) Sergei Ivlev

Personal Information

Born:	15.12.1987 in Semipalatinsk–21, Kazakhstan
Marital status:	married, one child (*2017)
Position:	Head of X-ray Service Department
Address:	Philipps-Universität Marburg Chemistry Department, X-ray Service Department Hans-Meerwein-Str. 4, 35043 Marburg
Phone:	+49 6421 28 27029
E-mail:	sergei.ivlev@chemie.uni-marburg.de
Homepage:	https://www.uni-marburg.de/de/fb15/xray

School and University Education

2011 – 2014	Work on the PhD thesis on topic „Synthesis and Characterization of Alkali Metal Tetrafluoridobromates“ under supervision of Prof. Dr. Ivan Zherin, Tomsk Polytechnic University, Russia
2005 – 2011	University diploma in chemical technology with distinction, Tomsk Polytechnic University, Russia. Topic of the diploma work: „Mechanism, Thermodynamics and Kinetics of Fluorination of Potassium Bromide in Counterflow Screw Reactor“. Supervisor: Dr. Roman Ostvald
2005	Secondary School Nr. 3, Kurchatov, Kazakhstan

Professional Background

2019 –	Head of X-ray Service Department at the Chemistry Department, Philipps University of Marburg
2015 – 2019	Scientific assistant (postdoctoral researcher) at the group of Prof. Dr. Florian Kraus, Philipps University of Marburg, Germany. Topic: „Syntheses of novel highly reactive fluorine compounds“
2013 – 2016	Assistant at the department of chemical technology, Tomsk Polytechnic University, Russia
2011 – 2013	Project engineer, Tomsk Polytechnic University, Russia
2010	Senior laboratory assistant, Petersburg Nuclear Physics Institute, Russia
2009	Laboratory assistant, Petersburg Nuclear Physics Institute, Russia

Selected Memberships and Service

- Member of the German Crystallographic Society (DGK)
- Member of the European Crystallographic Association (ECA)
- Member of the Reviewer Board of the journals *Inorganics* and *Molbank*
- Member of the RSC Reviewer Panel
- Member of the Editorial Board of the journal *Molbank*
