

Invitation

*to the celebration of the graduates 2019-2022
of the Faculty of Geography
at the New Marburg University Library
on Friday, 08 July 2022 at 5pm*

Dear graduate,

with the completion of your studies or your scientific qualification phase, an important period of life ended for you, which you will certainly always remember in the future.

The Faculty of Geography is pleased to be able to honor this significance again after a two-year Corona-related break and cordially invites you to this year's festivities.

program:

Welcome by the Dean

Part I: Ceremonial farewell of the graduates with symbolic awarding of the degree certificates

Part II: Champagne reception & Canapés

Afterwards: get-together and drinks at the Faculty of Geography

We are looking forward to your coming and a nice celebration!

The Faculty of Geography of the Marburg University
