TALLINN UNIVERSITY

Tallinn University is the largest university of humanities and social sciences in Tallinn, and the third largest public university in Estonia.

The university now known as Tallinn University came into existence on 18th March 2005.

It developed as the result of the merger of several research and development institutions in Tallinn:

- Academic Library
- Tallinn Pedagogical University
- Institute of History
- Institute of International and Social Studies
- Estonian Institute of Humanities
- Institute of Ecology
- Academy Nord
- The Estonian Institute for Future Studies
- Tallinn Pedagogical College
