## About HUST

Huazhong University of Science and Technology (HUST) is a national comprehensive university, ranking among the Top 10 in China and among the Top 200 in the world. Located in Wuhan, the capital of Hubei Province, HUST, known as "the University in the Forest" with a 72% greenery coverage, covers an area of over 460 hectares. HUST faculty are devoted to fusing the humanities with the sciences, and are dedicated to nurturing multi-talented individuals globally.

HUST offers first-class services, high-quality education and abundant library resources. At present, there are around 60,000 students registered on campus, out of which more than 4000 are international students from over 150 countries.

## Program Background

In the year of 2020, student mobility around the world was greatly influenced by the COVID-2019. As a top-ranking and national key university in China, HUST has been devoted to providing innovative education to students from around the world and has created a series of "Discover at HUST" online programs to meet the learning needs of international students who are interested in Chinese language and culture, as well as Chinese technology and society.

## How to Apply
