Emergency Instructions

Remain calm and rational!

Report emergency from a safe location

Fire brigade

Emergency doctor

Ambulance

Police

After calling 110 or 112, always notify the university emergency hotline

An emergency call must cover the following points:

- **Where** is the emergency?
- **What** happened?
- **How many** are injured?
- **What type** of injuries?
- **Who** is reporting the emergency?

Stay on the line to answer questions!
