As soon as possible

**Bewerbungsfrist:**

2026-05-25

**Entgeltgruppe:**

SHK-Vergütung

**Befristung:**

6 months

**Umfang:**

40 hours/month

The Philipps University, founded in 1527, offers award-winning teaching for around 22.000 students and addresses the important issues of our time with excellent research across the breadth of science.

The Department of Medicine, group of Prof. Herker at the Institute of Virology is offering two six-month fixed-term positions (40 hours/month) as

## Student Assistant

The position is offered within the DFG Research Unit (Forschungsgruppe) FOR 5815 "Structural and functional lipid droplet heterogeneity". We analyze lipid droplet subsets and the function of lipid droplets in flavivirus infection using biochemical and cell biological methods. We are looking for two enthusiastic student assistants to join the group.

### Your Benefit:

- Training in the laboratory
- Learning new techniques
- Be part of active research in virus host interactions

### Your Tasks:
