

NaDiMa Dialogue #13 (September 2021)

Introduction to Model-based Assessments of Economic Shocks and Policies in Resource-Dependent Economies

Time (CET): 27th September from 11 am to 5 pm & 29th September 2021 from 11 am to 5 pm

Aims:

- Understanding the unique policy challenges facing resource-dependent economies
- Getting familiar with theory and applications of economy-wide models as a tool to derive evidenced-based policy assessments
- Interpreting model results and communicating policy assessments

Target group: Master & PhD students from the fields of Economics, Public Policy, Resource and Agricultural Economics, Climate Economics, Disaster Management, Human Geography, and relevant fields

Workshop capacity: 50 participants (first come, first serve)

Instructor:

Dr. Manal Shehabi

Senior Research Fellow, Oxford Institute for Energy Studies; Academic Visitor, St. Antony's College, Oxford University; Director, SHEER Research & Advisory

Registration:
