

Your Bachelor thesis @ MARG

- At the end of your BSc. studies you have to write an empirical bachelor thesis. **We, the team of the Management Accounting Research Group (The MARG), are happy to accompany you on this way.**
- In order to prepare you in the best possible way for your thesis, we have defined an "integrated process" which consists of (1) a seminar and (2) your thesis. The ungraded seminar we offer already deals with the topic of your thesis. This gives you a clear head start for your bachelor thesis.
- Process:** Seminar and the bachelor thesis take place in one semester (including flexible timing for the bachelor thesis in order to have enough time for outstanding exams).
- If you are interested in writing your Bachelor's thesis at MARG, please send [1] your current CV and [2] a recent transcript to: Mr. Lion Fischer (Email: lion.fischer@wiwi.uni-marburg.de)

The process (summer & winter term)
