DATEV Certification

- Organizational Information @UMR -

Interested students can find more information about the **"DATEV certification"** program offered by DATEV eG on the following **website**:

https://www.datev.de/web/de/bildungspartnerschaft/loesungen/plattformen/datev-zertifizierungen-online/datev-fuehrerschein

To take the nationwide certification exam, you must register with the educational partner, who will then complete your registration with DATEV eG. To ensure the program runs smoothly in **cohorts**, please register by **November 15** (winter semester) or **May 15** (summer semester) to participate in the "DATEV Certification" program by contacting the **office** of the ifG | Marburg Institute for Cooperative Studies (**info@ifg-marburg.de**) with the following **information**:

- First and last name,
- Student ID number,
- Degree program and semester,
- Phone number (in case of any questions).

After the respective registration period ends, you will receive further information about the program schedule during an **orientation session** and will have the opportunity to network with other participants.
