

Exchange students are welcome to choose their courses from a variety of modules from the different faculties of the University of Marburg. You can find the complete university course catalogue in [Marvin](#).

Complete Course Catalog of the University of Marburg

(Change the language at the bottom right)

- Search for Courses -> Show possible search criteria
- Choose Term and Teaching Language
- Choose Organizational Unit (i.e. 02 Business and Economics)

Please note that not all course in the list may be open to exchange students.

English Courses at the Faculty of Business&Economics

(change language at the bottom right)

- click on studies offered: Show university course catalog (central top of the page)
- open [+] "Department 02 Business Administration and Economics"
- open [+] "Exchange Students (ERASMUS & Overseas Incomings)"

A list of courses taught in English including Syllabi can also be found in our [Guide to the School of Business and Economics](#). We also highly recommend to visit the homepage of the respective [research group](#) for more detailed information on courses.

Courses at other Faculties

If you would like to attend lectures and register for exams from **other faculties**, please contact the respective **website and [coordinator of the faculty!](#)**

Courses, Seminars and Exam Registration

Exchange students register for courses, seminars and examinations of the **Faculty of Business and Economics** only via the

[Ilias Group for Incoming Exchange Students.](#)

Steps during the Semester:

1. **Course Registration via ILIAS** (Business and Economics courses only) until 1 week before start of the lecture period.
2. **„Belegliste“ in Mobility Online**
Add courses to your „Belegliste“ & confirm the list.
3. **Add/Drop Changes** are only possible within 2 weeks after start of the lecture period.
4. **Exam registration via ILIAS** within the registration deadlines to be found in the semester calendar.

Seminars

Register for Seminars via the ILIAS registration form in the [Ilias Group for Incoming Exchange Students](#). Your ILIAS registration will be transferred to MARVIN.

Some seminars might require apart from the ILIAS registration an additional application with the respective [research group within the application period](#). Please, consult the website of the respective seminar or research group for application deadlines and details.
