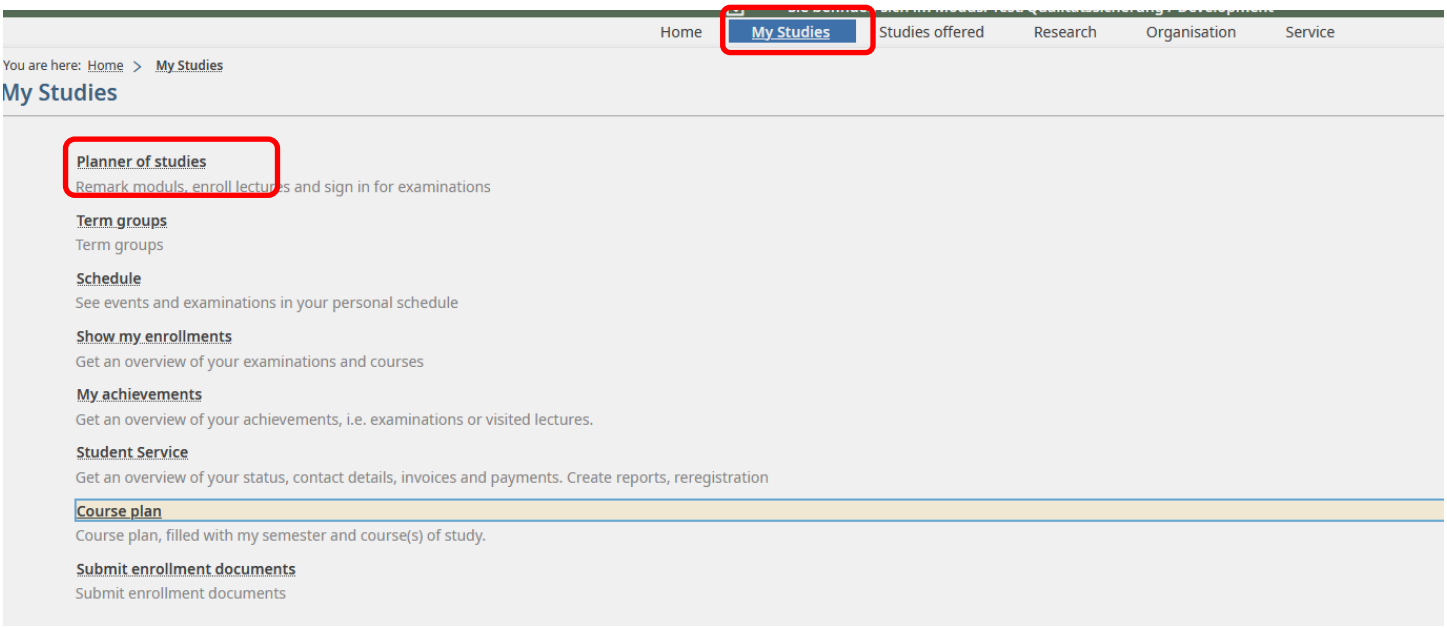
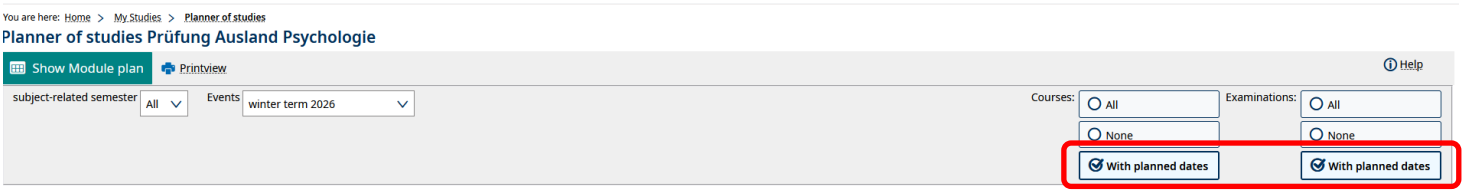
Course registration in MARVIN

1. Log in to the MARVIN portal of the University of Marburg (https://marvin.uni-marburg.de). Click on **“Anmeldung mit Uni Account” (EN “Login with Uni-Account”)** in the upper right corner.
Use your **student user name** (= e-mail address without @students.uni-marburg.de) and the **corresponding password**.

2. Select the field “Mein Studium” (EN “My Studies”) at the top of the page and click on “**Studienplaner**” (EN “Planner of studies”).

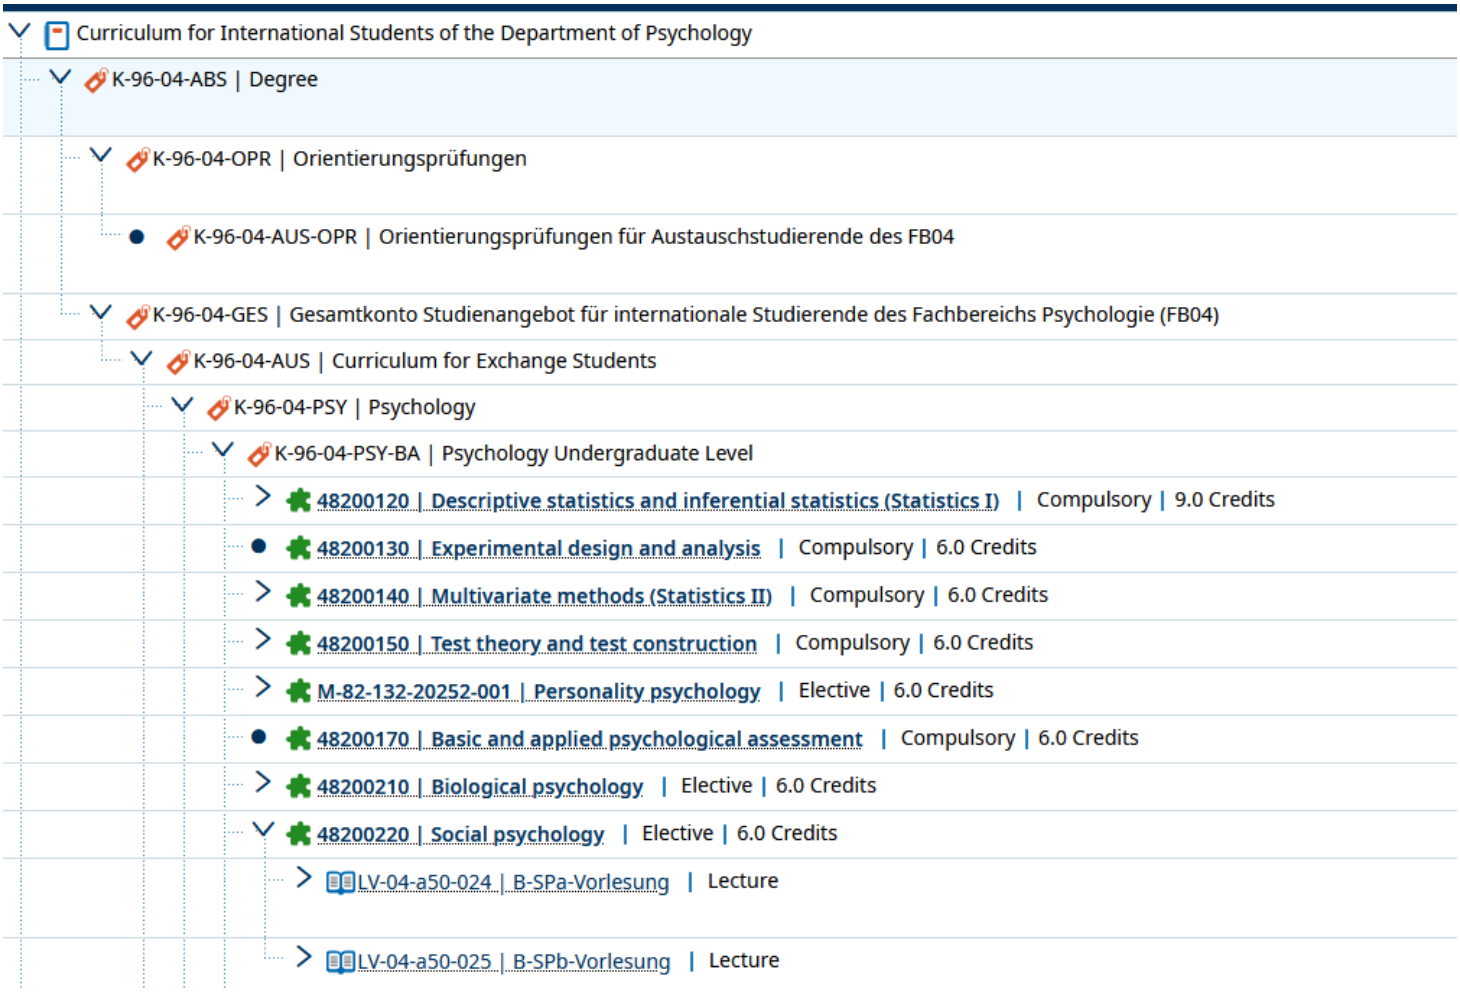


3. Now the entire magazine for the semester is displayed. Make sure that the **current semester** is selected, and the selection is on “**planned**” for Courses and Examinations:



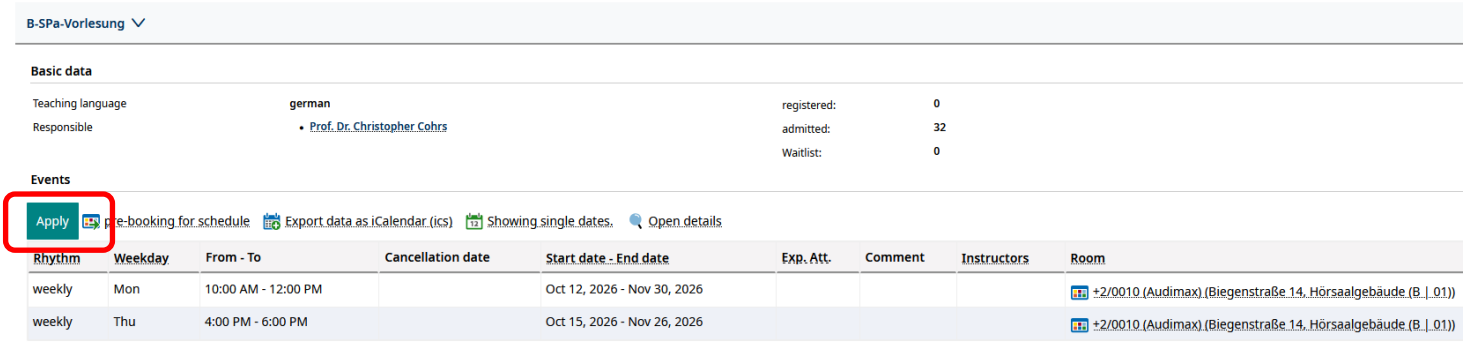
As an exchange student you have been signed to one teaching unit (Lehreinheit) according to your major. You will see the modules for **the unit, you have been enrolled in + the Marburg International Exchange MIX**.

4. All **modules** in which you can take courses are now listed. Using the arrow icon you can see **courses** offered in a particular module.



= symbol for modules = symbol for courses

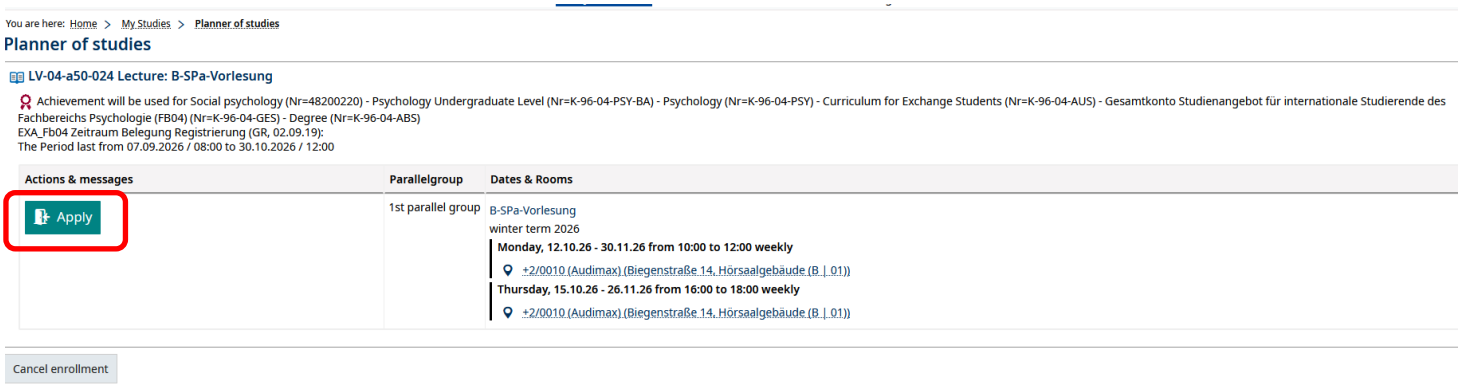
5. By **clicking directly on the course title** (not the arrow icon!) an information page will open. To register, click on **"Belegen"** (**EN "Apply"**) in the top right-hand corner:

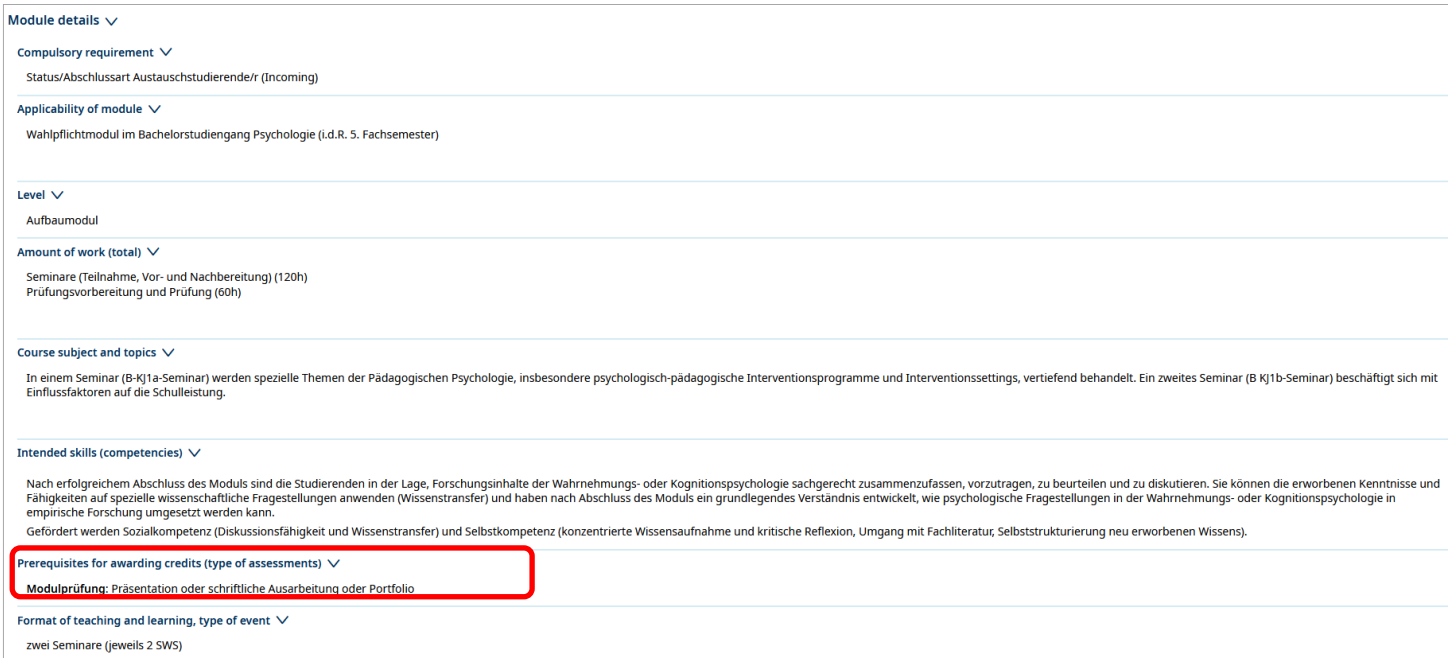


The registration period for each class is indicated on "Zeitraum" (EN "Periods"). On the information page you will also see the time, course instructor and the room.

IMPORTANT: some modules consist of several courses (e.g. lecture + seminar). Please make sure to register for ALL module parts (see the module list for your teaching unit) to be able to receive the ECTS for the entire module.

6. Once you clicked on “Apply”, you will see which module your course is assigned to. **Click on “Apply” again** to effectively enroll in the course.





8. To see the requirements for passing the module, **click on the module’s title**.
