

Exam registration in MARVIN

1. Log in to the MARVIN portal (<https://marvin.uni-marburg.de>). Click on the field “Anmeldung mit Uni Account” (EN “Login with Uni-Account”) in the top right corner. Use your **student user name** (= e-mail address without @students.uni-marburg.de) and the **corresponding password**.

2. Select the field “Mein Studium” (EN “My Studies”) at the top of the page and click on “Studienplaner mit Modulplan” (EN “Planner of studies with Module plan”).

3. Now the entire magazine for the semester is displayed. Make sure that the **current semester** is selected, and the selection is on “Only planned” for Courses and Examinations:

4. Open the Module Sections (using the arrow icon) to see the individual Modules, if not already open. You can identify the modules you registered in by looking at the “Status” on the right side. Your active modules have the actual status: **Existing Entry**.

Note:

You had the opportunity to generate your TAN list when activating your student account, at the beginning of your stay in Marburg. If you did not do this, you must **apply for a new TAN list** now and pick up it **in person from the HRZ HelpDesk**:

Hans-Meerwein Str. 6, room 06A03 (! located in the Campus Lahnberge !)
open every work day Mo-Fr 8 a.m. – 5 p.m.

To apply for a new TAN list, go to this link and select “Initialen Token für Studierende”:

<https://2fa.hrz.uni-marburg.de/> (access via the university network only!)

After you enter your student account information, your matriculation number, and your birth day, a new TAN list will be generated and you can pick up it **from the HRZ HelpDesk**. The new TAN list is usually ready to be pick up **on the next day**.

In case of technical problems please contact: 2fa@hrz.uni-marburg.de

8. When your exam registration was successful you should see a green pop-up that confirms your registration. Your status will be changed to “**registered**” (“zugelassen”).

Via the button “Back to overview” you can see your updated Module plan. Instead of “Apply” next to the modul, you have registered for examination, you will see the button “Cancel” (“Abmelden”). You can use this button in order to deregister (cancel) your exam registration.
