of the

### Department of English and American Studies

I hereby declare that this paper/thesis is the result of my own independent scholarly work.

Any material – be it verbatim or in substance – taken from the work of other authors is acknowledged and clearly indicated by providing references and listing all references in the bibliography. This also applies to illustrations, sketches, graphs and the like as well as to online sources. Making use of artificial intelligence (AI; e.g. ChatGPT) is not allowed unless it has been explicitly permitted by a lecturer. In this case, the employment has to be made transparent by listing the source in the bibliography.

Furthermore, I confirm that I have read and fully understood the information on plagiarism provided by the Department of English and American Studies (see [Plagiarism – General Information and Resources](#)).

I also confirm that this paper has not been submitted – neither in its entirety nor in parts – to obtain graded or ungraded credit elsewhere.

I am aware of the fact that plagiarism is considered serious academic misconduct.

I fully understand that any contravention of the plagiarism guidelines will be treated as an act of deception and will result in the forfeit of the right to a resit.
