

## Overview of exams - Functional Materials - in the summer semester 2021

Please note whether you only have to register the examination or the study achievements (S) and the examination (P)!

The exam numbers associated with the module can be found in the column 'Exam-No to be registered with'!

Ligh Blue = Old regulations

White = New regulations

Applies for both regulations

### Basic Modules / Fundamentals

Modul	Name of Seminar	Lecturer	Semester	CP	Degree program	Exam-No. to be registered with	Start of registration	End of registration	Resignation possible until	Exam Date	Room
F2 Quantum Theory of Functional Materials		Dr. Joshua Thompson	SS	6	M.Sc. FM (PO 20202)	136621021 (S) 136621022 (P)	April 13, 2022	May 31, 2022	--	N.N.	
A2 - Quantum Theory of Functional Materials		Dr. Roberto Rosati			M.Sc. FM (until PO 20172)	13661021 (S) 13661022 (P)	April 13, 2022	May 31, 2022			
F3 Basic Laboratory		Dr. Breuer	SS	12	M.Sc. FM (PO 20202)	136621031 (S) 136621032 (P)	April 13, 2022	May 31, 2022	--	--	--
A4 - Project Laboratory					M.Sc. FM (until PO 20172)	13661041 (S) 13661042 (P)	April 13, 2022	May 31, 2022			
F4 Functional Materials Laboratory		Dr. Breuer	SS	12	M.Sc. FM (PO 20202)	136621041 (S) 136621042 (P)	April 13, 2022	May 31, 2022	--	--	--
A3 - Functional Materials Laboratory					M.Sc. FM (until PO 20172)	13661031 (S) 13661032 (P)	April 13, 2022	May 31, 2022			
F5 Research Laboratory		Various Please choose correct while registering! *)	SS	12	M.Sc. FM (PO 20202)	136621051 (S) 136621052 (P)	April 13, 2022	August 31, 2022			
A5 - Research Laboratory					M.Sc. FM (until PO 20172)	13661051 (S) 13661052 (P)	April 13, 2022	August 31, 2022			

\*) If your examiner from the Faculty of Physics is not listed contact the Physics Examination Office. If you do this module at another Faculty or extern choose the one without examiner.

### Elective Modules / Electives

Modul	Name of Seminar	Lecturer	Semester	CP	Degree program	Exam. No. to be registered in QIS	Start of registration	End of registration	Resignation possible until	Exam Date	Room
B1 - Methods in Material Sciences 1		Prof. K.Volz	SS	6	M.Sc. FM (until PO 20172)	13662011	April 13, 2022	May 31, 2022	--	N.N.	N.N.
