

Eric Meggers – *List of Lectures*

178. American Chemical Society Fall 2020 Virtual Meeting, Invited Lecture (August 20, 2020)
177. University of Gießen, GDCh-Lecture (Gießen, Germany, January 21, 2020)
176. University of Göttingen, Organic Seminar (Göttingen, Germany, November 25, 2019)
175. University of Illinois at Urbana-Champaign, Bristol-Myers Squibb Lecture (Urbana, USA, March 11, 2019)
174. UCB Celltech, Research Seminar (Slough, UK, February 19, 2019)
173. RWTH Aachen, Institute of Organic Chemistry, OC-Colloquium (Aachen, Germany, January 25, 2019)
172. Max-Planck-Institut für Kohlenforschung (Mülheim, Germany, January 24, 2019)
171. International Conference on Organometallics and Catalysis (ICOC 2018), Invited Lecture (Goa, India, December 15, 2018)
170. Bayer Wuppertal, Forschungs- & Entwicklungszentrum Aprath (Wuppertal, Germany, November 21, 2018)
169. CCNU Synthetic Photochemistry Symposium, Invited Lecture (Wuhan, P. R. China, Nov. 28, 2018)
168. Northern Section of the American Chemical Society Process Chemistry Symposium, Invited Lecture (Cambridge, Massachusetts, USA, October 19, 2018)
167. 7th Spanish Asymmetric Catalysis Network Symposium, **Plenary Lecture** (Hondarribia, Spain, October 5, 2018)
166. HRSMC/NIOK Autumn School Advanced Metal-Organic Chemistry and Catalysis (AMOCC 2018), two lectures (Zonheuvel, Doorn, The Netherlands, September 29-30, 2018)
165. Peking University, College of Chemistry and Chemical Engineering (Beijing, P. R. China, September 21, 2018)
164. Sun Yat-Sen University, School of Chemistry (Guangzhou, P. R. China, September 20, 2018)
163. Shandong University (Jinan, P. R. China, September 18, 2018)
162. 26th Lecture Conference on Photochemistry – Munich 2018, German Chemical Society, **Keynote Lecture** (Munich, Germany, September 10-12, 2018)
161. 43rd International Conference on Coordination Chemistry, Invited Lecture (Sendai, Japan, July 31, 2018)
160. 16th Belgian Organic Synthesis Symposium (BOSS XVI), **Plenary Lecture** (Brussels, Belgium, July 8-13, 2018)
159. Nagasaki University, Graduate School of Engineering, Division of Chemistry and Materials Science (Nagasaki, Japan, May 24, 2018)
158. Nagoya University, ITbM Seminar (Nagoya, Japan, May 22, 2018)
157. Huazhong Agricultural University, College of Science (Wuhan, P. R. China, May 16, 2018)
156. Central China Normal University, College of Chemistry (Wuhan, P. R. China, May 14, 2018)
155. University of California at Irvine, Department of Chemistry, Organic Seminar (Irvine, USA, May 2, 2018)
154. School of Chemistry, The University of Manchester (Manchester, UK, February 28, 2018)
153. Les Conférences du Laboratoire de Chimie de Coordination (LCC), CNRS (Toulouse, France, February 16, 2018)
152. Minisymposium on Photocatalysis, University of Münster, Invited Lecture (Münster, Germany, January 29, 2018)
151. University of Texas at Austin, Department of Chemistry, **Novartis Lecture** (Austin, USA, November 10, 2017)

149. Columbia University, Department of Chemistry, Organic Seminar (New York, USA, November 8, 2017)
148. The University of Tokyo, Department of Chemistry, Departmental Lecture and Students Seminars (Tokyo, Japan, November 1 and 2, 2017)
147. The University of Tokyo, Department of Chemistry, **Zasshikai Lecture** plus two additional seminars for students (Tokyo, Japan, November 1 and 2, 2017)
146. Tokyo Institute of Technology (Tokyo, October 31, 2017)
145. ACS Publications Symposium at Shanghai Institute of Organic Chemistry, Invited Lecture (Shanghai, P. R. China, October 22-24, 2017)
144. Fuzhou University, Fujian Institute of Research on the Structure of Matter, Seminar (Fuzhou, P. R. China, October 16, 2017)
143. Université Pierre Marie Curie, CulturChem Seminar (Paris, France, October 9, 2017)
142. Summerschool, ICIQ, Lecture for students (Tarragona, Spain, September 27-29, 2017)
141. German-Spanish Symposium on Frontiers in Chemistry, ICIQ, Invited Lecture (Tarragona, Spain, September 25-27, 2017)
140. The RSC Coordination and Organometallic Chemistry Discussion Group Meeting, **Plenary Lecture** (Lancaster University, Lancaster, September 14, 2017)
139. UCLA, Department of Chemistry and Biochemistry, Special Organic Seminar (Los Angeles, September 8, 2017)
138. IUPAC 2017, 46th World Chemistry Congress, Invited Lecture (São Paulo, Brazil, July 13, 2017)
137. Conference on Applications of Photoactive Coordination Compounds (APCC 2017), University of St Andrews, Invited Lecture (Scotland, July 6, 2017)
136. Giese Symposium, University of Fribourg (Fribourg, Switzerland, June 2, 2017)
135. NUI Galway, School of Chemistry (Galway, Ireland, April 26, 2017)
134. Southern University of Science and Technology (SUSTech), Department of Chemistry, **SUSTech Chemical Sciences Lectureship** (Shenzhen, P. R. China, March 21, 2017)
133. 97th Chemical Society of Japan Annual Meeting, Coordination Asymmetry Symposium, Invited Lecture (Yokohama, Japan, March 19, 2017)
132. University of Zurich, Department of Chemistry Seminar (Zurich, Switzerland, February 21, 2017)
131. Leiden University, Leiden Institute of Chemistry, Chemical Biology Lecture, (Leiden, The Netherlands, January 26, 2017)
130. University of Pennsylvania, Department of Chemistry, Organic Seminar (Philadelphia, PA, USA, December 5, 2016)
129. University of Michigan, Organic Chemistry Seminar (Ann Arbor, MI, USA, December 2, 2016)
128. 12th International Symposium on Organic Free Radicals, Invited Lecture (Shanghai, P. R. China, October 11, 2016)
127. 7th International Forum on Homogeneous Catalysis, **Keynote Lecture** (Hefei, P. R. China, October 8, 2016)
126. Kyoto University, **Yoshida Lectureship** (Kyoto, September 21, 2016)
125. Osaka University, **Yoshida Lectureship** (Osaka, September 20, 2016)
124. Symposium "Frontiers in Asymmetric Catalysis" organized by the Key Laboratory of Molecular Recognition and Function (LMRF), Institute of Chemistry, Chinese Academy of Sciences, Invited Lecture (Beijing, September 18, 2016)
123. 8th International Symposium on Bioorganometallic Chemistry (ISBOMC16), **Plenary Lecture** (Moscow, September 4-8, 2016)

122. 20th International Symposium on Homogeneous Catalysis (ISHC XX), Invited Lecture (Kyoto, July 14, 2016)
121. 42th International Conference on Coordination Chemistry (ICCC-42), Invited Lecture (Brest, France, July 7, 2016)
120. Seminar day of the GRK Photocatalysis, University of Regensburg (Kloster Weltenburg, Germany, June 16, 2016)
119. University of Heidelberg, Fakultät für Chemie und Geowissenschaften, OC Seminar (Heidelberg, Germany, May 23, 2016)
118. Sichuan University, College of Chemistry (Chengdu, P. R. China, March 31, 2016)
117. Sichuan University, West China Medical Center (Chengdu, P. R. China, March 30, 2016)
116. Technical University Berlin, Department of Chemistry, OC/BC Seminar (Berlin, Germany, February 4, 2016)
115. GDCh-Lecture, University Erlangen-Nürnberg, Department of Chemistry and Pharmacy (Erlangen, Germany, January 28, 2016)
114. Zhejiang University, Department of Chemistry (Hangzhou, P. R. China, December 25, 2015)
113. University of Münster, Organic Chemistry Institute (Münster, Germany, December 10, 2015)
112. Christmas Symposium, University of Basel, Department of Chemistry (Basel, Switzerland, December 4, 2015)
111. 13th International Kyoto Conference on New Aspects of Organic Chemistry (IKCOC-13), Invited Lecture (Kyoto, November 9-13, 2015)
110. FMS-ICMS Topical Seminar on Catalytic Chemistry in Living Cells, University of Groningen (Groningen, The Netherlands, September 17, 2015)
109. ACS Green Chemistry and Engineering Conference, Invited Lecture (Bethesda, MD, USA, July 15, 2015)
108. Southwest University, College of Pharmaceutical Science and Chinese Medicine (Chongqing, P. R. China, June 5, 2015)
107. Leibniz University Hannover, Institute of Organic Chemistry (Hannover, Germany, May 5, 2015)
106. Southern Dalton Meeting, University of Sussex, **Plenary Lecture** (Brighton, UK, April 20, 2015)
105. 13th International Symposium for Chinese Organic Chemists (ISCOC-13), Invited Lecture (Xiamen, P. R. China, December 21, 2014)
104. 60th Anniversary Conference of the Nesmeyanov Institute for Organoelement Compounds of Russian Academy of Sciences (INEOS RAS), The Chemistry of Organoelement Compounds and Polymers 2014, Invited Lecture (Russian Academy of Sciences, Moscow, Russian Federation, September 9, 2014)
103. 12th European Biological Inorganic Chemistry Conference (EuroBIC12), **Opening Plenary Lecture**, (University of Zurich, Zurich, Switzerland, August 24, 2014)
102. Challenges in Organic Chemistry (ISACS14), Shanghai Institute of Organic Chemistry, Invited Lecture (Shanghai, P. R. China, August 8, 2014)
101. 48th ESBOS Symposium, **Plenary Lecture** (Gregynog, UK, May 17, 2014)
100. COST Action CM1105 Workshop (Trieste, Italy, April 12, 2014)
99. TU Munich, Organic Colloquium (Munich, Germany, May 8, 2014)
98. FU Berlin, Institute for Chemistry and Biochemistry, OC-Colloquium (Berlin, January 28, 2014)
97. The Wistar Institute, Workshop (Philadelphia, USA, January 23, 2014)
96. The 15th Asian Chemical Conference, Session on Non-Bonded Interactions, Invited Lecture (Singapore, August 20, 2013)

95. 20th EuCheMS Conference on Organometallic Chemistry, **Invited “Young Plenary Lecture”** sponsored by Dalton Transactions (St Andrews, Scotland, July 1, 2013)
94. Peking University, School of Chemical Biology and Biotechnology (Shenzhen, P. R. China, May 31, 2013)
93. Summerschool (COST CM1105), Chemistry of Metals In Biological Systems, Invited Presentation (Louvain-la-Neuve, Belgium, May 18, 2013)
92. ETH Zurich, Department of Chemistry and Applied Biosciences, Organic Colloquium (Zurich, Switzerland, May 6, 2013)
91. Leibniz-Institut für Molekulare Pharmakologie (FMP), Marthe-Vogt-Seminar (Berlin-Buch, Germany, April 19, 2013)
90. ACS 245th National Meeting, ACS Symposium on Metals In Medicine, Invited Lecture (New Orleans, LA, USA, April 7, 2013)
89. Minisymposium (IRTG-Symposium), Nucleic Acid Metal Interactions, Institute for Inorganic Chemistry, University of Göttingen (Göttingen, November 27, 2012)
88. Asian Biological Inorganic Conference VI (AsBIC6), Hong Kong Polytechnique University, Invited Lecture (Hong Kong, November 7, 2012)
87. COST Whole Action Meeting (CM1105), University of Granada, research overview presentation (WG 1) (Granada, Spain, September 17, 2012)
86. Gordon Research Conference, Metals in Medicine, Proctor Academy, Invited Lecture (Andover, NH, USA, June 25, 2012)
85. FSU Jena, Department of Chemistry (Jena, June 11, 2012)
84. University of Basel, Department of Chemistry, Institute of Organic Chemistry (Basel, Switzerland, April 27, 2012)
83. University of Hong Kong, Department of Chemistry (Hong Kong, March 2, 2012)
82. Minisymposium, University of Strasbourg, Department of Chemistry, Invited Lecture (Strasbourg, France, February 10, 2012)
81. University of Fribourg, Department of Chemistry (Fribourg, Switzerland, November 8, 2011)
80. The Scripps Research Institute, Scripps Florida (Jupiter, FL, USA, September 27, 2011)
79. 15th International Conference on Biological Inorganic Chemistry (ICBIC15), University of British Columbia, **Keynote Lecture** (Vancouver, Canada, August 07-12, 2011)
78. Institute of Chemical Research of Catalonia (ICIQ) (Tarragona, Spain, July 1, 2011)
77. Summerschool on Organometallic Chemistry, University of Santiago de Compostela, Invited Lecture (Santiago de Compostela, Spain, June 27-29, 2011)
76. Heraeus Hanau, Symposium on Metal-based Anticancer Drugs, Invited Lecture (Hanau, Germany, April 8, 2011)
75. European Symposium on Experimental Metallodrugs, L'École Nationale Supérieure de Chimie de Paris (ENSCP), Invited Lecture (Paris, France, March 11, 2011)
74. GDCh-Lecture, University of Bayreuth, Department of Chemistry (Bayreuth, Germany, January 20, 2011)
73. Workshop on Medicinal Chemistry, Invited Lecture (Rauischholzhausen, Germany, March 25, 2010)
72. Conference organized by GDCh and DPhG, Frontiers in Medicinal Chemistry, Invited Lecture (Münster, Germany, March 13-17, 2010)
71. University of Hamburg, Department of Chemistry, Organic Colloquium (Hamburg, Germany, November 16, 2010)
70. GDCh-Lecture, GDCh-Ortsverband Freiburg-Südbaden, University of Freiburg, Department of Chemistry and Department of Pharmacology (Freiburg, Germany, November 8, 2010)

69. GDCh-Lecture, GDCh-Ortsverband Berlin, Humboldt-University Berlin (Berlin, Germany, June 14, 2010)
68. University of Zurich, Institute of Inorganic Chemistry, Inorganic Seminar (Zurich, Switzerland, April 30, 2010)
67. Novartis Chemistry Lectureship Series, Novartis Horsham Research Centre (Horsham, UK, March 10, 2010)
66. RWTH Aachen, Institute of Inorganic Chemistry, Inorganic Seminar (Aachen, Germany, December 16, 2009)
65. Global Discovery Chemistry Lecture, Novartis-Cambridge (Cambridge, USA, December 8, 2009)
64. Chemistry Lectureship, Novartis-Basel (Basel, Switzerland, November 4, 2009)
63. Annual Retreat of the Konstanz Research School of Chemical Biology, **Keynote Lecture** (Schloß Hornberg, Germany, May 27-29, 2009)
62. GÖCH (Austrian Society of Chemistry, Gesellschaft Österreichischer Chemiker) Tirol Lecture, University of Innsbruck, Department of Chemistry (Innsbruck, Austria, June 15, 2009)
61. GDCh-Lecture, TU Braunschweig, Department of Chemistry (Braunschweig, Germany, May 25, 2009)
60. Merck KGaA, Darmstadt (Darmstadt, Germany, February 12, 2009)
59. TU Dortmund, Department of Chemistry, Chemical Biology Lectureship Series (Dortmund, Germany, February 3, 2009)
58. University of Münster, Organic Chemistry Institute, Organic Chemistry Colloquium (Münster, Germany, January 22, 2009)
57. 8th Tateshina Conference on Organic Chemistry, Invited Lecture (Chino, Japan, November 7-9, 2008)
56. 2nd Sino-German Frontiers of Chemistry Symposium, Invited Lecture (Beijing, P. R. China, October 4-8, 2008)
55. Symposium on Nucleic Acid Chemistry (Stuttgart, Germany, September 5, 2008)
54. ORCHEM Lecture Conference of the German Chemical Society, Invited Lecture (Weimar, Germany, September 1-3, 2008)
53. 4th EuCheMS Conference on Nitrogen Ligands, Invited Lecture (Garmisch-Partenkirchen, Germany, August 24-28, 2008)
52. International Symposium on Bioorganometallic Chemistry (ISBOMC'08), Invited Lecture (Missoula, MT, USA, July 6-10, 2008)
51. The Wistar Institute, Symposium (Philadelphia, PA, USA, June 23, 2008)
50. International Symposium of the Beilstein Institute, Systems Chemistry, Invited Lecture (Bozen, Italy, May 26-30, 2008)
49. 40th Middle Atlantic Regional American Chemical Society Meeting, Invited Lecture (Bayside, New York, May 17-21, 2008)
48. Symposium on Medicinal Organometallic Chemistry, **Plenary Lecture** (St. Martin, Germany, April 2-5, 2008)
47. Zing Conference, Organometallics at the Centre, Invited Lecture (Cancun, Mexico, March 13-16, 2008)
46. Symposium by the Max-Planck Society, Systems Chemistry – From Vision to Reality, Invited Lecture (Berlin, Germany, January 7-8, 2008)
45. University of Tokyo, Department of Chemistry (Tokyo, Japan, November 10, 2008)
44. GDCh-Lecture, University of Regensburg, Department of Chemistry (Regensburg, Germany, October 20, 2008)

43. Goethe University Frankfurt a. M., Department of Chemistry and Biochemistry, Colloquium of Organic Chemistry and Chemical Biology (Frankfurt a. M., Germany, June 27, 2008)
42. Pennsylvania State University, Department of Chemistry, Organic/Inorganic Seminar (University Park, PA, USA, February 10, 2008)
41. GDCh-Lecture, Technical University Munich, Department of Chemistry (Munich, Germany, January 22, 2008)
40. Symposium on Chemical Biology co-organized by the Virginia Commonwealth University and the University College Dublin, Ireland, Invited Lecture (Richmond, VA, USA, March 29, 2007)
39. Nanqiang Lectureship, Xiamen University, College of Chemistry and Chemical Engineering (Xiamen, P. R. China, December 25, 2007)
38. Max-Planck-Institut für Kohlenforschung, Max-Planck-Society (Mühlheim an der Ruhr, Germany, December 12, 2007)
37. Merck (Rahway, NJ, USA, May 2, 2007)
36. Stanford University, Department of Chemistry (Stanford, CA, USA, April 25, 2007)
35. Temple University, Department of Chemistry (Philadelphia, PA, USA, February 22, 2007)
34. Johns Hopkins University, Department of Chemistry (Baltimore, MD, USA, February 13, 2007)
33. University of Chicago, Department of Chemistry (Chicago, IL, USA, February 2, 2007)
32. University of Ottawa, Department of Chemistry (Ottawa, ON, Canada, January 11, 2007)
31. University of Texas, Southwestern Medical Center (Dallas, TX, USA, December 12, 2006)
30. Saint Joseph's University, Department of Chemistry (Philadelphia, PA, USA, November 29, 2006)
29. University of Illinois at Urbana-Champaign, Department of Chemistry (Champaign, IL, USA, November 13, 2006)
28. Haverford College, Department of Chemistry (Philadelphia, PA, USA, November 10, 2006)
27. Wyeth (now part of Pfizer) (Pearl River, NY, October 6, 2006)
26. Tetrahedron Prize Symposium at the 232th American Chemical Society National Meeting, Invited Lecture (San Francisco, CA, USA, September 11, 2006)
25. New Investigator Symposium at the 232th American Chemical Society National Meeting, Invited Lecture (San Francisco, CA, USA, September 10, 2006)
24. XVII International Roundtable on Nucleosides, Nucleotides, and Nucleic Acids, Invited Lecture (Bern, Switzerland, September 6, 2006)
23. University of Sydney, School of Chemistry (Sydney, Australia, August 16, 2006)
22. Gordon Research Conference on Metals in Medicine, Invited Lecture (Oxford, UK, July 11, 2006)
21. Peter G. Schultz Group Symposium (San Diego, CA, USA, June 2, 2006)
20. Philipps-University Marburg, Department of Chemistry (Marburg, Germany, May 29, 2006)
19. Eli Lilly (Indianapolis, IN, USA, May 11, 2006)
18. Pennsylvania Molecular Screening Summit (Hershey, PA, USA, April 12, 2006)
17. University of North Carolina, Department of Chemistry (Chapel Hill, NC, USA, January 18, 2006)
16. 230th American Chemical Society National Meeting (Washington, DC, USA, September 1, 2005)
15. 230th American Chemical Society National Meeting (Washington, DC, USA, August 31, 2005)
14. Giese Symposium for the occasion of his 65th birthday (Basel, Switzerland, June 3, 2005)

13. NSF/NIH Workshop, Mentoring for the Future in Academic Chemistry (Greenbelt, Maryland, USA, May 5-7, 2005)
12. 229th American Chemical Society National Meeting (San Diego, CA, USA, March 17, 2005)
11. Max-Planck Institut für Kohleforschung (Mülheim a. d. Ruhr, Germany, May 31, 2005)
10. University of Heidelberg, Department of Chemistry (Heidelberg, Germany, May 30, 2005)
9. University of Delaware, Department of Chemistry (Newark, DE, USA, March 2, 2005)
8. Biogen (Cambridge, MA, USA, May 25, 2005)
7. EPIX Pharmaceuticals (Cambridge, MA, USA, May 24, 2005)
6. Symposium of the Institute of Medicine and Engineering, University of Pennsylvania (Philadelphia, December 2, 2004)
5. Bucknell University, Department of Chemistry (November 9, 2004)
4. GlaxoSmithKline (King of Prussia, PA, November 4, 2004)
3. Bryn Mawr College, Department of Chemistry (October 1, 2004)
2. The Philadelphia Organic Chemistry Club (POCC) (Philadelphia, February 26, 2004)
1. Shippensburg University, Department of Chemistry (December 5, 2003)
