

## Design of the cover page for the submission of the dissertation:

### 1) Notes for the submission of the dissertation to open the doctoral procedure:

The 1st page of the dissertation could look like this:

Logo University of Marburg  
(<https://www.uni-marburg.de/de/universitaet/presse/cd/logos>)

Title Dissertation  
(if applicable with reference to cumulative dissertation)

To obtain the degree  
Doctor of Natural Sciences (Dr. rer. nat.)

at the Faculty of Geography  
of the University of Marburg

submitted by  
name of the doctoral candidate

place, date

The 2<sup>nd</sup> page of the dissertation could include the following information:

Title, Name of 1<sup>st</sup> supervisor,  
Name of her/his Faculty,  
Name of her/his University/Organization

It is **NOT** allowed to mention the following information on the title page or within the dissertation which must be submitted to the deanery for the opening of the doctoral procedure:

2nd reviewer  
Members of the examination committee  
Date of the disputation

### 2) Note for the submission of the dissertation for publication in the university library

Other requirements apply to the submission of deposit copies of the dissertation for publication in the university library: (see also §§16 and 17 of the doctoral regulations of 15.7.2009 and the general regulations for doctoral procedure of the University of Marburg of 1.4.2020)

The dissertation must be identified as a thesis by a title page. This must contain the following points:

- Title of the dissertation
- Name of the faculty and university (the university logo may not be used there!!)
- Name and place of birth of the doctoral candidate (if applicable, a previously acquired academic degree)
- Title and names of all reviewers
- Submission and disputation date with place and year
- University code number of University of Marburg: 1180

Further information on the publication of the dissertation can be found here:
