

## Directions to PBS consulting office on Campus Lahnberge

### 1. From bus stop Hans-Meerwein-Straße (bus 11, 18, 19, 2, 27, 7, 75, 9, X35)

Walk towards the „Biomedizinisches Forschungszentrum“ (BFMZ, yellow building, H02) - pass it on the right, down the external stairs and walk towards the „Zentrum für Tumor- / and Immunobiologie“ (dark gray building, H03), past a weathered assembly. Then keep right and walk between the building parts of the former chemistry towards the „Mehrzweckgebäude“ (Hans-Meerwein-Straße 6, H04). The entrance that leads to the counselling office is then located in the lower part of the building on the left side (Kernchemie). There, go up the stairs and take the entrance straight ahead. Immediately after the entrance area you will find the office on the left side (room 03J01).

### 2. By car

Take the B3 / „Großseelheimer Straße“ or „Panoramastraße“ in direction of Campus Lahnberge/ Universitätsklinikum to the exit „Hans-Meerwein-Straße“. However, the parking facilities are quite scarce - as either restricted or only tolerated.
