

Declaration regarding the publication of electronic documents

I (the author) hereby allow

Author

Email

Telephone

Address

Marburg University Library to publish the document

Title of the document

--

in electronic form according to the conditions set out below and to make access to it available on the internet.

The author affirms that he/she is in possession of the user rights and that he/she has not made any other provision to the contrary. He/she declares that the publication of this document does not injure the rights of any third party and exempts Marburg University Library from liability for claims made by third parties. He/she undertakes to inform the University Library immediately should any alleged or actual infringement of the rights of third parties be asserted. In particular, the author grants Marburg University Library the following rights:

- (1) To duplicate and store the document on its own servers as well as to provide access to it through the international data networks;
 - (2) To transmit the document to the German National Library as well as partner libraries and to grant them the right of permanent storage;
 - (3) To migrate the document to other formats;
 - (4) To transmit the metadata to databases or directories.
- If the author has not removed his/her curriculum vitae from the electronic version of the document, this, then, is an implicit agreement on his/her part to the electronic storage and public availability of the curriculum vitae in the document.
- The author wishes to publish the electronic publication on the publication server only after a deferred release date of six months.

In addition to the above user rights granted by the author, the following applies:

- The user rights as stipulated by the law according to UrhG (German Copyright and Related Rights Law).
- Creative Commons + Attribution-NonCommercial-NoDerivs (CC BY-NC-ND)
- Creative Commons + Attribution-NoDerivs (CC BY-ND)
- Creative Commons + Attribution (CC BY)
- Creative Commons + Attribution-NonCommercial-ShareAlike (CC BY-NC-SA)
- Creative Commons + Attribution ShareAlike (CC BY-SA)

For Dissertations:

- (1) The author guarantees the conformity of the printed and electronic versions of the dissertation with each other.
- (2) The author guarantees that the delivered files correspond to the approved original version.
- (3) in the faculty of chemistry, the dissertation supervisor must confirm his/her consent to electronic publication by signing this document.

In the case of theses for Master, Bachelor, Diploma or Magister degrees the Dean confirms consent to publish (in accordance with the user regulations for the publications server, 6(f):
