## University Studies

---

1994 University of Marburg, Habilitation Organic Chemistry  
1988 University of Frankfurt, PhD (Dr. phil. nat.) Chemistry  
Prof. G. Quinkert  
1985 University of Frankfurt, MS (diploma), Chemistry  
Prof. G. Quinkert

## Employment History

---

2001 - date Professor (C4) for Organic Chemistry at the University of Marburg  
1996 - 2001 Professor (C4) for Organic and Bioorganic Chemistry at the Humboldt-Universität Berlin  
1996 Associate Professor (C3) for Organic Chemistry at the University of Munich  
1991 - 1995 Research Assistent at the University of Marburg  
1988 - 1990 Post-doc Fellow at the University of Strasbourg/France  
Prof. J.-M. Lehn

## Awards and Honors

---

- 2002: Steinhof-lectureship
- 1998: Otto-Bayer-Preis
- 1995: Visiting professorship at the University of Madison at Wisconsin
- 1995 Dozentenstipendium of the Fonds der Chemischen Industrie
- 1989 - 1991: Liebig-Fellowship of the Fonds der Chemischen Industrie

## Research Interests

---

Organic and Bioorganic Synthesis, total synthesis of natural products, medicinal chemistry.

Function-oriented synthesis, synthetically modified ion-channels (porins), molecular switches, signal transduction via conformational transmission.
